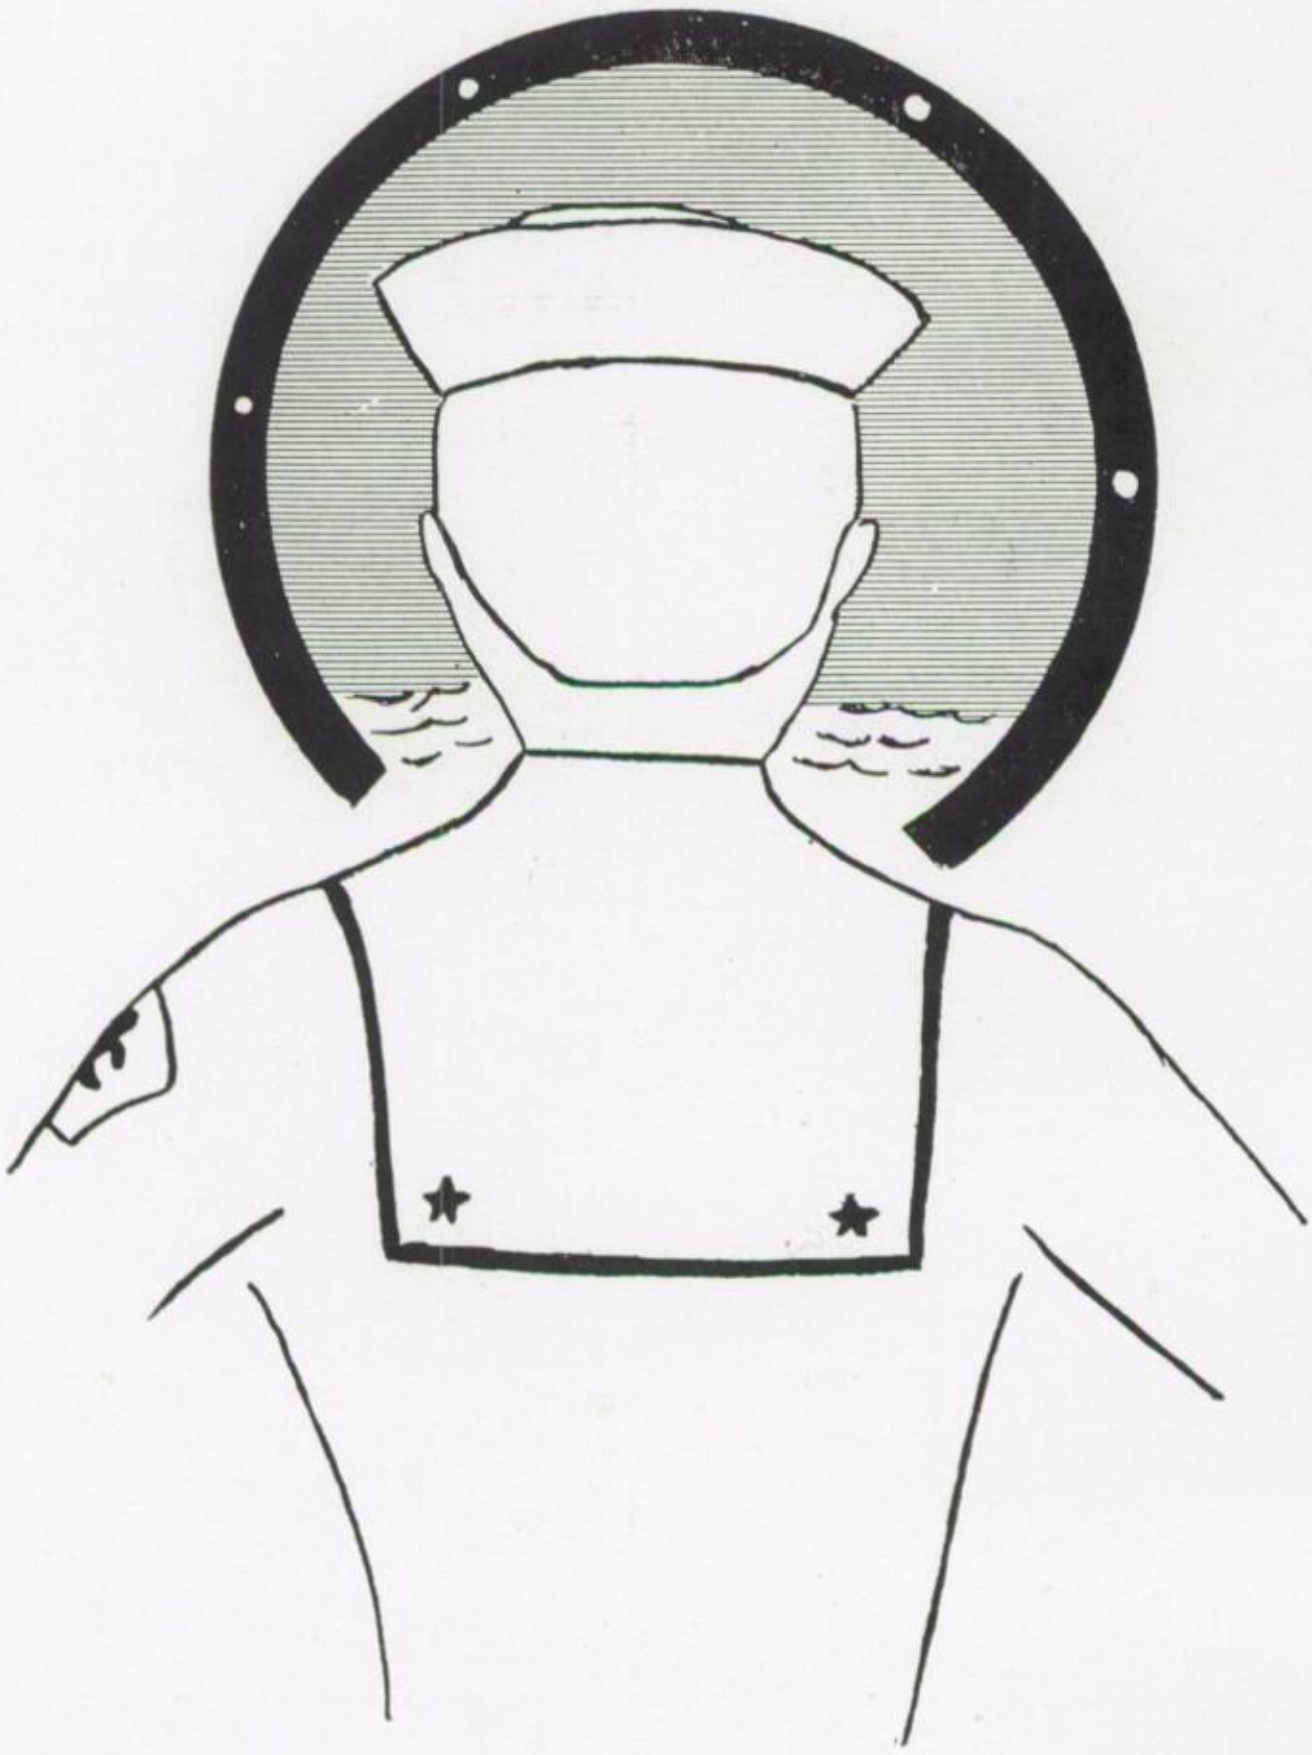
Streak

1958

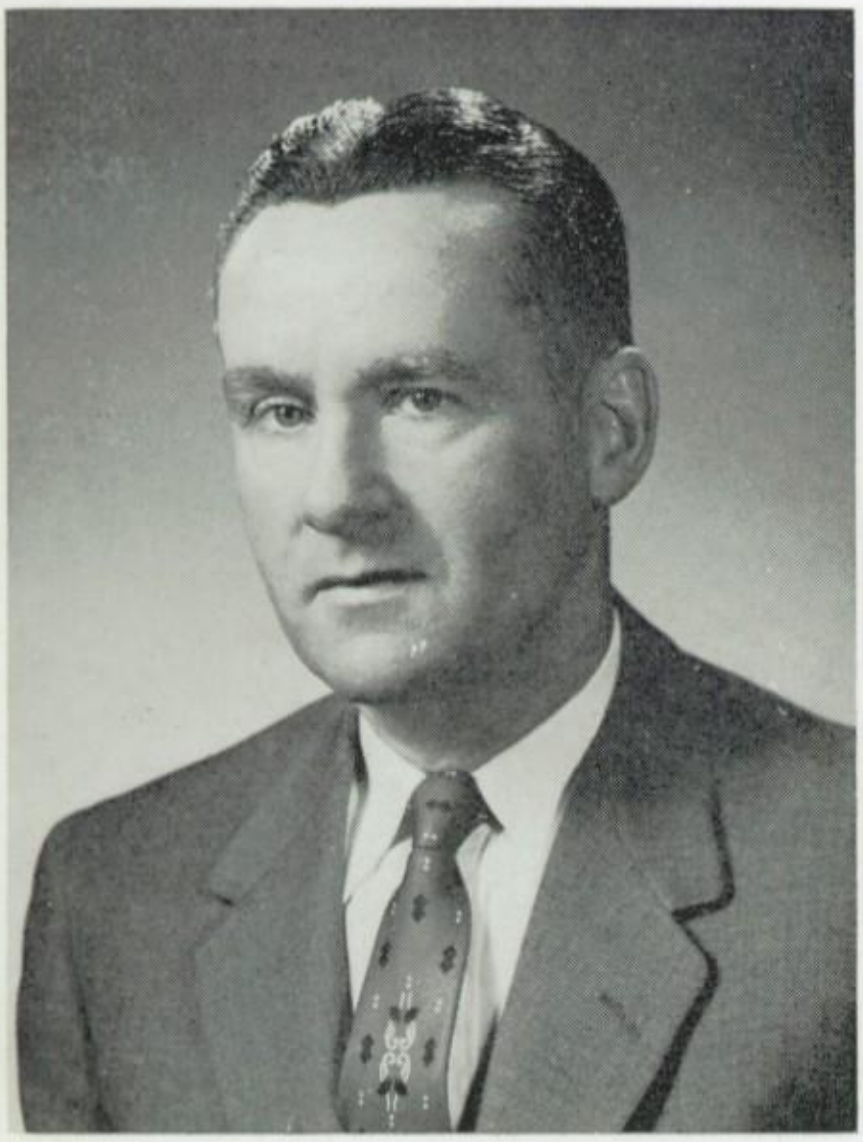


FOREWORD

To the community, we the graduating class of 1958 would like to present this year's edition of THE STREAK.

We hope that in years to come this yearbook will bring back many happy memories of the wonderful times we've shared at Hartville High.

DEDICATION



To Mr. P. M. Barry, we the class of 1958 dedicate our Annual, in appreciation for all the unselfish things he has done for us. He has always been willing to offer advice on any problem we might have. He has helped us, not only as a class, but also as individuals.

Mr. Barry will long be remembered by the seniors of Hartville High School for the guidance he has given.

In sincere appreciation, we the Seniors of 1958 proudly dedicate our Annual, *The Streak*, to Mr. Lloyd C. Savage. As our class sponsor, he has guided us through the past six years.

He has given freely of his time and energy in assisting us in our various projects.

Mr. Savage will always be remembered for the outstanding things he has done for all the students, especially in Choral work. He has succeeded in leading the contest choruses to the State Contest for many years.

As this is his last year at Hartville High School, we would like to wish him luck and happiness in whatever he does in the future.

CLASS PROPHECY

The reunion of the class of '58 of Hartville, Ohio was held recently on the ship S. S. Savage. All of former students were flown to Cleveland by the Evans Airlines, which are owned by Mr. Richard Evans. Chief Pilot Mr. Terry Ewing was in charge of the flight. The guests were all made comfortable by Mrs. Sandra Sweitzer, the former Sandra Martz.

After the party had reached Cleveland and all were aboard the "Savage", Miss Vera Miller, who now has her own beauty shop, and her head manicurist, Miss Ina Green, gave all the ladies a hairstyling and manicure. Plus this all the ladies received mink stoles, compliments of Mr. Earl Kettering.

Later a spaghetti dinner was served with the compliments of Miss Terry Pagna, who is now the owner of Garesi's Spaghetti House. Terry is noted around the world for her famous spaghetti. Food was also supplied by Hugh who has taken over his father's dairy store. Mrs. Bonnie Tokas, the former Bonnie Poe, now Produce Manager of the Nation's Kroger Stores, sent food for the rest of the cruise. Mrs. Tokas informed the guests that Kroger's receive all of their produce from the Zellers Produce Farms, now owned by Mr. Kenneth Zellers.

While on the subject of farming it was mentioned that Mr. Clarence Hinnerman owns one of the largest dairy farms in Ohio. This was brought up by Miss Bonnie Moyer who is the Vice President of the Lawson Milk Co.

The guests had no worry when it came to medical care. On board were Dr. James Stoll and his two nurses, Mrs. Becky Marteney, the former Becky Grable and Miss Janet Leadbetter. For extreme cases Miss Carol Laughlin the noted psychiatrist, was on board. She specializes in the mental disorders of high school teachers.

Quite a few of the former students have entered the teaching profession. Teaching grade school are Miss Penny Kinsley and Miss Leona Coblentz. Teaching in High School is Miss Carol Eshelman. Going even higher is Professor Donald Anstine, who is mathematics Professor at Mount Union College.

Many of the young women are now secretaries. Miss Bonnie Slusser is secretary to Mr. Lowell Kinsley, who is the President of Uniontown Savings and Loan. Miss Ruth Borntrager is private secretary of Mr. Willard Kanal, who is President of the Monarch Rubber Company in Hartville.

Mr. Richard Mishler, who is running for his second term as Mayor of Akron, could not attend. He was busy campaigning.

Bill Davis also could not attend. He had to play in the All-American vs. Pro. game in Los Angeles.

The former Judy Jackson was there with her famous husband. He is a five-star general in the Army.

Miss Nancy Hoffman has given up modeling and has opened her own charm school in Hollywood.

Of course many of the women have settled down to a life of homemaking and motherhood. Patty Atkinson the former Pat Gold is raising a family and is helping her husband run the County Line Market. Mrs. Marsh Keppler, formerly Marsha Orr, is now living in California and is the mother of eight children. Linda Slingluff, now Mrs. Dale Stermer, is the mother of six sons.

Mr. Larry Ringer is now U. S. delegate to the U. N. He has done a lot for world peace and for the United States.

Mr. Lynn Stuhldreher, who owns a chain of national and international machine shops, was unable to attend the reunion.

Mrs. Marlene Rogacs, formerly Marlene Atkinson, has also joined the secretarial profession. She is a private secretary for the Akron Insurance Company.

Mr. Robert Bourn who is one of the largest contractors in the States, has a large affiliation with the Schory Cement Block Co. This company is of course owned by Mr. William Schory.

All of the gentlemen received a much appreciated gift of a Cadillac, donated by Mr. Robert Bohaychyk who is President of General Motors. Ot course this gift didn't mean much to Sonny Manno and Larry Stout, who are stock car drivers. Dale Bishop also drives his own special car. His is black with the word "POLICE" spelled out in big red letters.

Gas for all the cars was donated by Mr. Ronnie Miller who has taken over his father's gas station.

During the evening Keith Knowles held the attention of all the guests as he told of his experiences as a Nuclear Physicist.

Pat Brown added much to the evenings entertainment with her songs. Mr. Noah Borntrager, the noted poet added to the evenings entertainment for he was spouting poetry constantly, it was reported.

Miss Katie Cavalier the world's most famous lady Detective was also aboard protecting everyone's valuables. Judy Oswald, her bodyguard and Photographer (she has a lot of Publicity), was along to get pictures for her columns in the New York Times.

These former students all enjoyed themselves and, as you can plainly see, turned out much better than most of their former teachers predicted.

HARTVILLE HISTORY

HARTVILLE CLASS HISTORY

In the fall of 1946, a group of frightened, starry-eyed children entered the port of education at Hartville. We were a small, eager crew of thirty people. Our "Skippers" on this first voyage were Mrs. Knight and Miss Merkle.

In the the second grade we set sail with Mrs. Malone and Mrs. Cathon. Our greatest achievement this year was learning to write.

Next, we embarked into the rough waters of grade three with Mrs. Fulmer and Mrs. McCartney. Among the things to master this year was learning to multiply.

We set sail in our fourth year with Miss Shaffer and Mrs. McCartney. This was the year of our first exams.

Finally, in our fifth year, we were sent topside where our upstairs teachers were Mr. Brumbaugh and Mrs. Balliet. Two new members signed up with the crew — Judy Jackson and Linda Slingluff.

As sixth graders, our adventure as "Grade School Children" was almost over. Our teachers were Mr. Werstler and Mr. Paul.

In the seventh grade, we welcomed a few more privileges and changed classes for the first time. Our first experiences in parliamentary procedure were "in evidence" as we held class meetings and elected class officers. This year, Mr. Savage was appointed our sponsor, and we were happy to have Carol Eshelman sign the roster.

Two new sailors joined our eighth grade crew—Terry Ewing and Leona Coblentz. This was the year for better organized class meetings and the responsibility of dance arrangements along with more interesting and varied activities.

The day finally arrived for our great promotion. Our rank was raised to Freshmen. This year we chose our subjects and elected the following officers: President, Bill Schory; Vice President, Bonnie Slusser; Secretary, Keith Knowles; Treasurer, Jim Stoll. Two new students came aboard on this voyage — Katie Cavalier and Noah Borntrager.

When our Sophomore year arrived, we sold basketball schedule pencils. Other activities included a Sock Hop and a May Dance. Our class officers were: Pres., Bill Schory; V. P., Jim Stoll; Sec'y., Keith Knowles; Treas., Larry Ringer.

In our Junior year, we were the skippers of the concession stand for both football and basketball. This kept us very busy. The big event for us was the Junior-Senior Prom. Our class jackets arrived, of which we were very proud. The class officers this year were: Pres., Jim Stoll; V. P., Keith Knowles; Sec'y., Judy Jackson; Treas., Bonnie Slusser. One new sailor signed up this year — Ruth Borntrager.

UNIONTOWN CLASS HISTORY

By Becky Grable

In September 1946, eight of the 1958 graduating class of Lake Local High School embarked on the first lap of their journey in formal education from the port of Uniontown school. They were Jim Whittaker, Hugh Wise, Bob Bourn, Vera Miller, Ronnie Miller, Joan Barta, Kenny Jones and Becky Grable. These little sailors were accompanied by proud mothers who tearfully bid them "bon voyage" and left them in the hands of the "Skipper", Miss Erlewine, who, during the year, skillfully unfolded some of the mysteries of reading, spelling and arithmetic.

This group sailed along during the next six years and started their seventh year under the able supervision of Mr. Witherow. There were twenty-six on board the craft of learning by this time. Bonnie Poe, Lowell Kinsley, Marlene Atkinson, Janet Matson, Jim Baldinger, Nancy Noel, Rex Diehl, Marsha Orr, Mary Ann Susdorf had joined the crew.

On the last lap of the grade school journey eighteen sailed into port. Mrs. Gamble was the skipper and the crew was ably handled by President Jim Whittaker, Vice President Jim Baldinger, Secretary Bonnie Poe, and Treasurer Janet Matson. This year Terry Pagna joined the group.

Leaving smaller craft behind, the crew now numbering thirty boarded the ship "Uniontown High School." Officers were elected and the journey was started from rank "Freshman" to "Seniors." The 1958 graduates who joined the Freshman crew in 1954 were Pat Gold, Herbert Kiester, Sonny Manno, and Dave Jarvis.

The next year still numbering thirty having lost four of the crew but gaining Pat Brown, Dick Mishler, Larry Barnes, Jack Dost and Carlon Howington, the group ranked as sophomores. They were represented in football, basketball, cheerleader and various active groups.

Sailing into the Junior year having lost two and gaining Ina Green twenty-nine crewmen began to feel the pole of rough waters. Money must be made for the Junior-Senior Prom. Tax Stamps were collected, a ham supper was served, newspapers were gathered and candy sold. We were also the first class to make a float for the annual homecoming dance. Our class also sponsored the sweetheart dance. Everybody worked hard. Class officers were President Bob Bourn, Vice President Pat Gold, Secretary Marlene Atkinson, Treasurer Dave Jarvis. Not until the end of the year did the crew learn that this was to be the last sailing from port "Uniontown High School."

Larger craft was manned and in the fall of 1957 sixteen "Uniontown High" Seniors joined the ranks of Lake Local High School at Hartville for the last lap of their voyage. Some of their fellow crewmen joined the ranks of Springfield Township High School thus separating a crew that started together eleven years before. Jim Whittaker, Hugh Wise, Bob Bourn, Vera Miller, Ronnie Miller, Lowell Kinsley, Bonnie Poe, Marlene Atkinson, Nancy Noel, Marsha Orr, Terry Pagna, Pat Gold, Sonny Manno, Dick Mishler, Pat Brown, Ina Green and Becky Grable went to Lake Local and Kenny Jones, Joan Barta, Janet Matson, Jim Baldinger, Mary Ann Susdorf and Dave Jarvis went to Springfield Township High. Joining forces with the Hartville crew meant combining efforts and the results were gratifying. They were proud that Uniontown's Jim Whittaker made "All County" in sports.

SENIOR CLASS HISTORY

Our last and best year at H. H. S. started off with the combining of Uniontown and Hartville. We added a few new teachers and lost a few, but everything worked out very well. The next important event was the arrival of our class rings, of which we are very proud. In November, we had our Senior pictures taken.

The successful endeavors of the Championship football and basketball teams aided greatly to the contributions of our Senior class.

All the years have passed easily and quickly for us but our sponsor has gained a lot of grey hair in the past six years. We have often wondered if Mr. Savage would quit before we were graduated or would go down with the ship like a good Captain should.

The class as a whole worked together and at long last arrived at the final port on Graduation Day when with diplomas in hand the crew, some for the first time in twelve years; separated and face a new journey on the Sea of Life.

With nine lettermen reporting to Coach Kinsley at the start of the 1957-58 cage season, the prospects looked bright. An opening season loss to North Canton failed to dampen our hopes. Uphill victories over Marlboro and Green the next week proved that our boys were fast improving and developing into a smooth working team. Victories over Brewster and Mogadore during the Christmas vacation were real team efforts. The Streaks gained runnerup honors in a holiday tournament held at Revere High School.

January and February saw the Streaks continue to dominate league action. A memorable come-from-behind victory over the Brewster Railroaders at Brewster assured us of an undisputed league Championship with a 6-0 league record.

Highlighting the 1957-58 season was the improved tournament play of the Streaks. Hundreds of local fans were treated to a fine display of team play and basketball finesse as our boys easily toppled Navarre and defending champion Brewster to bring home the County Class A Tourney Crown. It has been fifteen years since our school could boast of such an accomplishment.

The Hartville Cage Express was finally stalled by the Columbiana Clippers in the finals of the state sectional tournament. This disputed and controversial game will be a topic of conversation for many years to come.

We the Senior Class would like to express our most sincere thanks and appreciation to Mrs. Slaybaugh, our reliable office secretary. She has always been ready, willing and able to assist us in any way possible.

Her understanding ways will long be remembered after graduation.

CUSTODIANS

The Senior Class would like to bring recognition to the men who keep the polish on our school. Although they are seldom seen during the day, their work, by no means, goes unnoticed. Every evening they are at the school cleaning it inside and out getting it ready for the next day's activities.

From the Senior Class, thanks, for a job well done.

Squawk Box

You can squawk all you want about how your government is being run. You can squawk to your family, your neighbors, the boys at the shop, or your barber—anyone who'll listen. Or you can praise your government. But your squawks and praise won't pay off unless you deposit them in the ballot box.

The right to a secret ballot gives you an actual voice in your government. By casting your ballot at election time, you can help decide who is going to run the show.

It's not like this in every country. Behind the Iron Curtain there's a lot to squawk about. But people have to keep it to themselves. If you complain out loud, you may get a one-way ticket to Siberia. At election time you may get a ballot, but there'll only be one person to vote for.

But in America you can choose. And choosing means that you've got to do some serious thinking to make sure you vote for the right man.

The secret ballot is a right you don't exercise every day. But the fact that elections are not daily occurences makes the right all the more important. And the guy who fails to vote has lost the right to squawk.

Think it over—and then make sure you vote. It's your right; so treat it right.
